Un- years of age, the Matsonia added considerably to the school population of the islands, as many of the older youngsters will enter the public schools or private institutions tomorrow to begin the year's school work.

> "Everybody knew when it was morning, by the children hollering for their breakfasts, their clothes or something or other," said one of the ship's officers. Life on shipboard was made happy for the children through the generosity of two Los Angeles men, Deputy Coroner Williams of Los Angeies county, and a Mr. Bruce, a telephone man. They came to tour the

islands, and will visit the volcano. Both men bought up almost the entire stock of the ship's barber in the way of toys, candy and other things prized by children. They organized games and stunts of various kinds, and put in a busy six days awarding prizes to the winners. If a popularity vote were to have been taken, Messrs. Williams and Bruce would have cap-tured the children's ballots unanimous-

FROM SWITZERLAND RETURNS ON ORDERS

PARIS, France—Eugene Gilbert, the French aviator whose return to Switz erland after his escape from intern. ment is that country was ordered by the French government, arrived in Berne, escorted by Captain Dufour of the Swiss army, according to a Havas agency despatch from Berne.

Gilbert arrived at the village of Hospenthal, where he was interned anew.

All the Swiss papers, the despatch states, declare that a most excellent impression has been created in Switz-erland by the return of Gilbert.

tempt was made, but was left unopen

INDUSTRIAL REPORT SENT TO CONGRESS WEIGHS 600 POUNDS

WASHINGTON, D. C .- The bigges report ever submitted to Congress was received by South Trimble, clerk of the national house of representatives. It was the report of the federal commission on industrial relations of which Frank Walsh was chairman.

An express wagon backed up to the capitol and the driver went inside to Clerk Trimble's office and made "holler" for help.

"I have got the report of the indus-trial relations commission out there and I want somebody to help me bring

"Tut, tut," replied Trimble, "Just bring it in and lay it on my deak." The driver assured the house official that it was no joking matter and Trimble went outside to take a look. The report weighs 600 pounds and it came in four dry goods boxes. Two men lugged it into the capitol and now chokes the passage way in the now chokes the now chokes the passage way in the now chokes the now choke clerk's office. It expresses it, probwind" than was ever before put into a report to Congress.
